application/'165 patent, has been recorded in the U.S. Patent Office, as required by 37 CFR §3.81(a). In support of this petition, the undersigned states:

(1) that the inclusion of assignee data in Item 3 of the PTOL-85B Transmittal Form for the '510 application was inadvertent;

(2) that a credit card payment form for payment of the Petition Fee set forth in 37 CFR §1.17(h) is included with this Petition; and

(3) that there is no Notice of Recordation of Assignment Document for the '510 application/'165 patent, since no assignment was submitted for recordation in the Patent Office for such application/patent. A copy of a USPTO printout stating that Assignment Data is not available for Patent No. 6,915,165 is attached instead as Attachment A.

BACKGROUND

On August 24, 2005, the undersigned filed with the Patent Office a Request for a Certificate of Correction, requesting that, on the title page of the '165 patent, item "73" "Assignee: Obtech Medical AG, Zugerstrasse (CH)" be deleted, since no assignment for the '510 application/'165 patent has been recorded in the Patent Office. Submitted with that Request was a draft Official Certificate for Correction for use by the Patent and Trademark Office and a printout from the Patent and Trademark Office database for Assignments, stating that assignment data was not available for Patent No. 6,915,165.

FORSELL
Patent No. 6,915,165

On September 12, 2005, a Decision was issued by the Patent Office denying the Request for the Certificate of Correction because assignment data had been included in Item 3 of the Issue Fee Transmittal Form PTOL-85B submitted in this application on March 17, 2005. The September 12, 2005 Decision set forth the need to file this Petition under 37 CFR §1.183 and the requirements for the Petition. A copy of the September 12, 2005 Decision is attached as Attachment B.

CERTIFICATE OF CORRECTION

Submitted with this Petition are (1) a Request for a Certificate of Correction pursuant to 37 CFR §1.323, (2) a draft Official Certificate of Correction for use by the Patent Office for correcting the assignment data error on the '165 patent, assuming that this Petition is granted, and (3) a credit card payment form for payment of the fee for consideration of a Request for a Certificate of Correction under the provisions of 37 CFR §1.323 and 37 CFR §1.20(a).

As suggested by the Decision of September 12, 2005, Applicant further requests that the file for this matter be forwarded to Certificates of Corrections Branch, the issuance of a Certificate of Correction, if this Petition is granted.

Although it is believed that the appropriate required fees are enclosed, the Commissioner is hereby authorized to charge any deficiency in the fee(s) filed, or asserted
